Distinguished Alumni Applicants Needed

The Sutherland Public School Foundation is annually honoring Distinguished Sutherland Alumni. Last year's distinguished alumni award went to Sandy Meissner.

The Sutherland Public Schools Foundation selection committee is seeking an SPS alumni to be considered for the prestigious Distinguished Alumni Award. Potential candidates may be nominated by anyone. To be considered as a candidate, the nominee must have graduated from Sutherland High School at least 20-years prior (deceased alumni may be honored posthumously).

Further information and the nomination form can be found on the school website spssailors.org. Once on the website locate the Foundation tab and a drop down box will appear. Click on nomination and complete the form. The last day to submit nominations is February 1, 2024.

The SPS Foundation requests that you provide supporting information about the nominee in one or more of the following categories. Education, Business, Humanitarian Pursuits, Professional Field Accomplishments, The Arts, Athletics, Service to SPS or Sutherland Community, Service to Youth, Military or Heroism.

Once the applications have been received the Sutherland Foundation will appoint a selection committee and review the eligible candidates. The committee will then narrow their selection to a final candidate. Nominations that were not previously selected will be active for five years. If you have additional questions please contact Superintendent, Steve Bristol at 308-386-4656 or email steve.bristol@spssailors.org

STEVE BRISTOL, SUPERINTENDENT**SPS Foundation Challenge Fund Drive**

December is the final month for the annual Sutherland Public Schools fund drive. This year the goal is \$10,000.

If you have never given to the Foundation this would be a great year to do so. Even if it's \$5 or \$10 it all adds up and your financial donation is forever giving and will provide funding for current and future students. Your giving can be earmarked for the activity or group of your choosing. Just drop a note stating where you would like your donation dollars to go. Grants are awarded from the earnings, as the principal amount is never expended. To date the SPS Foundation has given thousands of dollars in grants back to Sutherland Public Schools.

Donations are tax-deductible and may be sent to Sutherland Public School (P.O. Box 217, Sutherland, NE 69165) % of the Superintendent. *Please consider becoming a partner investing in our youth.*

The Last Laugh

What did one snowman say to the other?
Do you smell carrots?

Boone S. signed his letter of intent to join UNK Track & Field Team this month.

AMANDA HUEBNER, HIGH SCHOOL PRINCIPAL

Sutherland Families,

As we move into our winter seasons I would like to thank our coaches, sponsors, athletes, and participants in all of our extra-curricular activities. We truly have an amazing group of kids enrolled in Sutherland Public Schools and I am thankful for the support our community continues to show as we progress through the year!

In the classroom, our students and dedicated teachers continue to work hard to improve student successes and growth. We recently began implementing more MTSS (tiered supports and interventions) strategies with staff and students in hopes of improving relationships for staff and students. Additionally, Mrs. Marquardt has been utilizing WIN time for our 7th and 8th grade students in hopes of improving their growth and progress through targeted interventions. Moving forward, we will continue to implement interventions because we want to make certain our students have as many opportunities as possible to push beyond standards and academic barriers.

Furthermore, finals week will be the last three days of the semester. During this time, 9-12 students will have exams that are worth ten percent of their overall grade. It will be important for students to have plenty of rest prior to the exams. Also, students should have breakfast and feel prepared by studying beforehand. I would also encourage students to talk to their teachers if they feel they need assistance.

Additionally, schools across the country are seeing a major rise in Juuling/Vaping, especially at younger ages, including 7th and 8th grade students. There are many health risks associated with Vaping and I would urge each parent or guardian to have conversations with their children about the dangers and risks of trying it. At school, Juuling/Vaping will be handled in the same way as if a student was in possession of tobacco. Students could be in ISS or OSS if they have a Juul/Vape on them, or they are using them during school time or at school activities. It also carries a consequence for activities. Students who are found with the devices or use them will miss the first two contests of their activity for the first offense, and a whole year of activities for the second offense.

Finally, we will be continuing our efforts to implement PBIS (Positive Behavior Intervention and Support) into the school district. We have great students and wish to better prepare them for life beyond the classroom, which is why we hold them to high expectations. Our PBIS Student Leadership Team is the key to improving our efforts and they are full of wonderful ideas. Students are expected to do things "The Sailor Way" and be a good example for everyone around them so they are better prepared for life beyond our walls. We are proud of our students and cannot wait to see where they go in life.

If you have any questions, please call me at the High School office

Sincerely,

Amanda Huebner

7-12 Principal, Sutherland High School

What Is JUUL?

JUUL is a rapidly growing type of e-cigarette that became available in the US in 2015. It now accounts for about 72 percent of the market share of vaping products in the United States.

- JUUL is particularly appealing to adolescents and young adults because it has a slim design **shaped like a USB flash drive** (which makes it easier to hide).
- It comes in different colors, and a wide variety of flavors, including many that appeal to kids.
- **JUUL does not emit large smoke clouds**, making it optimal for discreet use.
- Not only is nicotine high in JUUL pods, it is present in a **benzoic acid salt** rather than a free base which **increases the rate of nicotine delivery** and decreases the harsh sensation in the mouth and throat.

The JUUL nicotine refill ("pods") **contain as much nicotine as a pack of 20 regular cigarettes**. Average pod length varies but can last up to 200 puffs.

Noting this unprecedented spike in e-cigarette use in youth, in December 2018, the US Surgeon General issued an advisory for parents, teachers and health professionals about the negative health consequences of e-cigarettes in kids.

What can parents do?

- Do not use any tobacco products
- **Talk with your kids about the dangers of smoking and the importance of avoiding any tobacco use** (conventional cigarettes or e-cigarettes)
- Educate your kids that **e-cigarettes contain nicotine, a HIGHLY addictive substance**
- **Advocate for comprehensive tobacco prevention policies** (that include e-cigarettes)

Issue #4

SUTHERLAND ELEMENTARY NEWS

STUDENTS OF THE MONTH

FINISH STRONG!

The first semester of the 2023-24 school year is quickly coming to an end. Students are daydreaming of snow days, hot cocoa, and Christmas morning. However, we are still working on new concepts and encouraging students to meet their learning goals in our building. Please inspire your student to do the same and finish the 2023 year strong!

CROSSING GUARD

If wind chill temperatures are below 10°F, crossing guard will only be available on the west side of the building. This will allow the crossing guards to rotate and take breaks from the cold temperatures.

OUTDOOR RECESS

If the wind chill temperature is anything less than 15°F, indoor recess will be provided. Students will go outside for anything over that threshold. Please make sure your children are dressed appropriately.

WINTER TESTING

Winter benchmark testing is fast approaching. DIBELS testing will take place December 6 & 7th. Please ensure your student is well-rested and has a good breakfast. These test results determine future reading interventions.

UPCOMING DATES

Dec 15 - No School
(Teacher Inservice)

Dec 21 - 11:30 am
Dismissal

Dec 22 - Jan 2 - No School
(Winter Break)

Jan 3 - School Resumes

Jan 26 - No School
(Teacher Inservice)

DECEMBER 20TH

Typically every Wednesday we release students at 2:30 pm CST. However, December 20, 2023 will be a full-day with the regular 3:40 pm dismissal.

ACCELERATED READER

Each quarter, students have an AR goal to meet. If students meet all 4 of their AR goals and earn 100 points, they get to go to a special celebration. Please encourage your student to meet their goals!

SCHOOL COUNSELOR

Welcome to the busy Holiday Season! My goal for seniors is to have them all applied to college/school/military or at least have their "plans" in place prior to Christmas break. If your senior has not come in to see me, please have them stop by so we can get things rolling! Once they have applied be sure to check out scholarships via their chosen schools website and also in our google classroom. Several schools have accounts that they had to create when they applied. Log back into those and check out the "to-do" list to see what needs to be done next.

FAFSA should be opening in December, yet we do not have a definite date as of yet... The "local" Sutherland scholarships are all available in their googleclassroom with a deadline of rolled out to seniors via email and google classroom during Christmas break with a deadline of January 19th. Things they can work on for this would be a resume', and asking teachers/employers for letters of recommendation and a biographical sketch, or personal statement. Recommendation Letters can be sent directly to Mrs. Brunz.

January will be the start of busy times for seniors. The Mid-Nebraska scholarships will start to become available as the month progresses. Please be diligent on GoogleClassroom as ALL scholarships ran through Mid-Nebraska will be online this year, including any Sutherland Specific Scholarships. Please make sure your seniors are checking their emails and google classroom so they are getting their things in before the deadline. In addition, January 5th is the deadline to sign up for the February 10th ACT. UNK and UNL will still accept the February ACT for scholarship reasons.

Merry Christmas! A few quick dates for upcoming TeamMates activities.

- December 18th-Christmas caroling, cookies, and cocoa will take place on at 7:00.
- January 12, 2024-Mentor appreciation night will take place between the varsity, home basketball games on.
- January 20, 2024-Applications for TeamMates scholarships are open and will be open until at 11:59 p.m.

Mini Strawberry Santas

Ingredients

- 1 pint fresh strawberries, hulled
- 1 cup heavy whipping cream
- 1 tablespoon confectioners' sugar
- 1 tablespoon chocolate sprinkles

Directions

1. Cut the hulled-side strawberries so they can stand up on a plate. Slice the tip off each strawberry to make Santa's "hat"; set aside.
2. Beat cream and confectioners' sugar in a glass or metal bowl until soft peaks form. Lift your beater or whisk straight up; the whipped cream will form soft mounds.
3. Spoon a large dollop of whipped cream on top of strawberry base for the "face" and "beard". Set the "hat" atop the "face". Add a dot of whipped cream, using a toothpick, on top of the "hat" for the "pom-pom" and 2 dots on the strawberry base for "buttons". Place 2 sprinkles on the "face" for "eyes".

Re: Superintendent Search – Stakeholder District Engagement Visit

The Sutherland School Board is preparing to hire a new superintendent. Hiring a superintendent is one of the most important tasks a board must face. We will approach the search process with attention to each detail necessary to ensure a successful hire. It is our goal to hire a quality and capable administrator to lead the district forward in the years to come.

As the board plans for the hire, we seek and value the input of patrons, parents, staff, and administrators. The Nebraska Association of School Boards is assisting the board in the superintendent search process and has scheduled a visit to our school and community on Wednesday, November 29, 2023. The board extends an invitation to all stakeholders to participate in this visit to share thoughts regarding the district, community, and superintendent position.

If you are unable to attend, please share your comments via the methods listed below:

1. What are the strengths and accomplishments of the school district?
2. What are the strengths or advantages of the community?
3. What challenges are the district currently facing?
4. What challenges will the district face in the next few years?
5. What background experience should the new superintendent possess?
6. What personal and professional qualities will be important in a new superintendent?

You may submit your personal comments via one of the following methods:

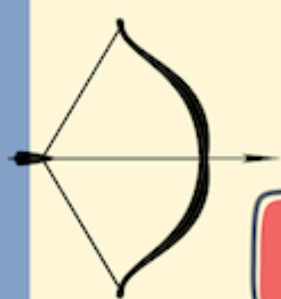

Email the completed paper survey (blank form in district office): sbecker@nasbonline.org

Click the Link: https://nasb.sjc1.qualtrics.com/jfe/form/SV_8js5HBqiYp8bNzg

Use the QR code [below](#)

Thank you for your interest in the superintendent search process and the success of the district.

Physical Education

Mr. Hoatson has done it again and brought another fun activity to our P.E. program. Sutherland Public Schools is now a proud partner of NASP (National Archery in the Schools Program). NASP is an in-school program aimed at improving educational performance among students in grades 4 – 12. Students learn focus, self-control, discipline, patience, and the life lessons required to be successful in the classroom and in life.

2ND ANNUAL ESU 16 ART PLC DAY

SUTHERLAND ART STUDENTS PARTICIPATED IN A MURAL CONTEST BASED ON THE THEME "THIS IS OUR TOWN". THE KIDS HAD A FEW HOURS TO COME UP WITH THEIR IDEA AND PAINT AS A GROUP.

A poster for the Elks Hoop Shoot Free Throw Contest. The background is a photograph of a basketball game in progress, with a player in a white jersey shooting a ball. A referee in a black and white striped shirt is visible in the foreground. The text is overlaid on the image. In the top left corner is the Elks Hoop Shoot logo, which features a stylized elk head in a red and blue square. The main text reads "ELKS HOOP SHOOT FREE THROW CONTEST" in large, bold, white and blue letters. Below this, in a red banner, it says "THE OPPORTUNITY TO PUT YOUR NAME IN THE NAISMITH MEMORIAL BASKETBALL HALL OF FAME."
